Worcester Oct 4th 1771

To the Selectmen or Inhabitants of the Town of Southborough

Gentlemen. In the late session of the General Court the Hon^ble House of Representatives endeavored by an act they passed to reduce the fees of several offices, and of which was the Register of Deeds, but their act was nonconcured by the Council. It is therefore the desire of a number of Respectable Inhabitants of this County (who think the Register fee is too high) that I should offer to do the business of that office for three quarters of the fees said to be paid, and Gentlemen I am desirous to do it, and if I should be chosen into that office will not ask more of any person, but will make a further abatement if the profitts of the office will admit of it. and as I have wrote in like manner to the other Towns in this County you have it in your own power to reduce the Register fee in this County, be assured by it your selves and Oblige your humble Servant
